Caring Community Foundation Announces Grant Opportunity! Request for Proposals (RFP)

Description and Timeline:

The Caring Community Foundation (CCF) exists to help Enhance Vibrant Communities of rural Northeast Kansas. We want to develop strong relationships with our local non-profits who serve community needs with the hope that our collective efforts will re-vitalize our home towns. We believe this will help make optimal communities in which to raise a family, access quality education, grow businesses and to experience art and culture.

The CCF is making \$5000 available through a competitive grant process to nonprofits based in and around the Onaga, Westmoreland, St. George and St. Marys area in Pottawatomie County, Kansas. One or more **Requests for Funding will be considered for a total of \$5000**. These grants will be provided by the CCF Community Fund, which is supported by our donors. We are grateful to all for making these grants possible!
